

CHRISTIAN MARTINEZ

830 E 3400 N Layton, Utah 84040 · 801-645-1924

hello@christianbmartinez.com · codepen.io/_coderchris · www.christianbmartinez.com

Seeking a position as a web developer, where I can pivot my career.

EXPERIENCE

MAY 2020 – FEB 2022

ORDER FILLER, SMITHS DISTRIBUTION

At Smiths, I was responsible for palletizing frozen goods to the grocery stores. Additionally, I had been assigned to the BRI team, where we would analyze and invent new behaviors to promote employee safety.

SEPTEMBER 2015 – MAY 2020

OWNER OPERATOR, MIXDLABS, LLC

At Mixdlabs, my primary duties were Employee management, sales, inventory, and web development. I wrote upgrades, customizations, and plugins for our custom e-commerce website on Shopify.

OCTOBER 2015 – MAY 2016

SALES REPRESENTATIVE, AXTON LIGHTING

At Axton Lighting, I was responsible for cold calling prospective clients. I would use Batch Book to fill in information, follow up, or schedule various events with executives. Many of my prospects resulted in becoming some of the largest accounts the company has had to date.

MARCH 2011 – SEPTEMBER 2015

SENIOR LEVEL, ASSOCIATED FOOD STORES, INC.

At AFS, I worked as a selector and worked my way up to Senior Level. As a Senior Level, I helped other departments, trained new hires, helped existing employees get up to speed, and frequently exceeded the standards set by the company. I won prizes often, such as an exclusive name stitched coat, by being a lead performer.

EDUCATION

MARCH 2007

HIGH SCHOOL DIPLOMA, CANYON HEIGHTS HIGH SCHOOL

General Studies, Programming I, Art, Drama, Choir

JUNE 2007 – JUNE 2008

WEB DESIGN, DAVIS APPLIED TECHNOLOGY COLLEGE

Studied the fundamentals of Web Design. I learned many fundamental web design and developmental concepts.
